### SAMSUNG HANDSET TRADE IN PROGRAMME TERMS AND CONDITIONS

#### **1. THESE TERMS**

1.1 What these terms cover. These are the terms and conditions on which you may take part in our Handset Trade In Programme ("Trade In Programme"), which provides you with the option to get a reduction in price for selected new Samsung Galaxy handsets ("New Device") purchased through Samsung.com/uk, either purchased outright or through a credit facility, or through the Samsung Upgrade Programme, in exchange for trading in your existing device (the "Existing Device"). The Trade In Programme is offered subject to New Devices being in stock and available from Samsung.com. For a complete list of acceptable Existing Devices to trade, please see Appendix 1 and 2 to these Terms and Conditions. The list of acceptable Existing Devices will vary, depending on which new handset you wish to purchase. The Trade In Programme is only available between 26th April and 30th May 2023. The level of discount which you may receive will vary, dependent on the model of Existing Device you trade in and the condition of your Existing Device. Please see Appendix 1 to these Terms and Conditions for full details of the discounts available where you are trading in an Existing Device in good condition (which meets the Minimum Requirements set out in paragraph 5.2, below). We also accept Existing Devices, which do not meet the Minimum Requirements; the details of discounts available for Existing Devices offered in this condition are set out at Appendix 2. The offer is limited to two purchases of New Devices per customer. Any further orders of New Devices under the Trade In Programme may be rejected at our sole discretion. We may also refuse to accept any orders placed for New Devices (or cancel any such orders prior to dispatch) using this Trade In Programme where we have reasonable grounds to suspect fraud.

1.2 Why you should read them. Please read these terms carefully if you would like to take part in the Trade In Programme. These terms tell you who we are, the conditions of the Trade In Programme and other important information.

#### 3. THE TRADE IN PROGRAMME - OVERVIEW

3.1 How to take part in the Trade In Programme. On placing your order for a New Device, you may, if you choose to do so by clicking the relevant Trade In option on the website and, if you are successful in passing any relevant credit checks by our chosen credit provider (if you have opted to purchase your New Device through a credit facility or through the Samsung Upgrade Programme), be able to take part in the Trade In Programme.

3.3 The offer to take part in the Trade In Programme is available to consumers only; it is not available to business customers.

3.4 Your participation in the Trade In Programme is subject to you providing the Existing Device to us within 7 days of receiving your New Device. Unless you are trading in an Existing Device which you have declared to be broken (where you must follow the requirements set out in clause 5.4), the Existing Device must meet the minimum requirements set out in clause 5.2. Should you fail to provide the Existing Device to us within 7 days of receipt of your New Device you will be required to return your New Device to us, or you will be asked to pay back the upfront discount you received. It is a requirement of the Upgrade Programme membership that you return your original Existing Device at the point when you upgrade.

3.6 Other than as specified in these terms and conditions, our standard Terms and Conditions of Sale (which can be found here) will govern your purchase of the New Device and any other products purchased from our website.

However, where you are joining the Upgrade Programme for the first time, or where you are trading in an Existing Device previously associated with the Samsung Upgrade Programme which you now own outright (with no outstanding balance or finance on the Existing Handset), you may take part in the Trade In Programme and the Samsung Upgrade Programme at the same time The Terms and Conditions for the Samsung Upgrade Programme can be found <u>here</u>.

4.4 You will need to enter your details via Klarna's website so that your chosen credit provider can carry out any relevant credit checks.

4.5 If your application is successful, you will be able to enter into a credit facility on terms to be provided by your chosen credit provider. Please ensure that you read the terms of the credit facility carefully before signing. ### 6. CONSEQUENCES OF NOT TRADING IN YOUR EXISTING DEVICE

6.1 You should ensure that the Existing Device is provided to us within **7 days** of receiving your New Device. If you do not send your Existing Device within this timeframe, then unless you return your

### SAMSUNG TABLET TRADE IN PROGRAMME TERMS AND CONDITIONS

#### **1 THESE TERMS**

1.1 What these terms cover. These are the terms and conditions on which you may take part in our Tablet Trade In Programme ("Trade In Programme"), which provides you with the option to get a reduction in price for selected Samsung Galaxy tablets ("New Device") purchased through Samsung.com/uk, either purchased outright or through a credit facility, in exchange for trading in your existing device (the "Existing Device"). The Trade In Programme is offered subject to New Devices being in stock and available from Samsung.com. For a complete list of acceptable Existing Devices to trade, please see Appendices 1 and 2 to these Terms and Conditions. The list of acceptable Existing Devices will vary, depending on which new handset you wish to purchase. The Trade In Programme is only available between 26th April and 30th May 2023. The level of discount which you may receive will vary, dependent on the model of Existing Device you trade in and the condition of your Existing Device. Please see Appendix 1 to these Terms and Conditions for full details of the discounts available where you are trading in an Existing Device in good condition (which meets the Minimum Requirements set out in paragraph 5.2, below). We also accept Existing Devices which do not meet the Minimum Requirements; the details of discounts available for Existing Devices offered in this condition are set out at Appendix 2. The offer is limited to two purchases of New Devices per customer. Any further orders of New Devices under the Trade In Programme may be rejected at our sole discretion. We may also refuse to accept any orders placed for New Devices (or cancel any such orders prior to dispatch) using this Trade In Programme where we have reasonable grounds to suspect fraud.

1.2 Why you should read them. Please read these terms carefully if you would like to take part in the Trade In Programme. These terms tell you who we are, the conditions of the Trade In Programme and other important information.

### **3 THE TRADE IN PROGRAMME - OVERVIEW**

3.1 How to take part in the Trade In Programme. On placing your order for a New Device, you may, if you choose to do so by clicking the relevant Trade In option on the website and, if you are successful in passing any relevant credit checks by our chosen credit provider (if you have

opted to purchase your New Device through a credit facility), be able to take part in the Trade In Programme.

3.2 The offer to take part in the Trade In Programme is available to consumers only; it is not available to business customers.

3.3 Your participation in the Trade In Programme is subject to you providing the Existing Device to us within 7 days of receiving your New Device. The Existing Device must meet the minimum requirements set out in clause 5.2. Should you fail to provide the Existing Device to us within 7 days of receipt of your New Device you will be required to return your New Device to us. Failure to return your New Device to Samsung will result in legal proceedings being taken against you to recover the device.

3.4 Other than as specified in these terms and conditions, our standard Terms and Conditions of Sale (which can be found here) will govern your purchase of the New Device and any other products purchased from our website.

### **4 PROVISION OF FINANCE**

4.1 If you opt to pay for your New Device through finance, we act as a credit broker and not a lender and will introduce you to your chosen credit provider.

4.4 If your application is successful, you will be able to enter into a credit facility on terms to be provided by your chosen credit provider. Please ensure that you read the terms of the credit facility carefully before signing. General information about Klarna and the user terms per country can be found on klarna.com. Your personal data is handled in accordance with applicable data protection law and in accordance with the information in Klarna's privacy statement.

6.1 You should ensure that the Existing Device is provided to us within **7 days** of receiving your New Device. If you do not send your Existing Device within this timeframe, then unless you return your New Device, Samsung will, after **14 days** have elapsed after delivery of your New Device, deduct a sum equal to the discount you receive for trading in your Existing Device from your payment card.

6.2 In the event we are required to take this action, please note that we reserve the right to refuse to take any further orders from you; we will also review any activity in relation to existing orders under your name.

6.3 Please note that should you fail to return the Existing Device to us, and we are unable to recover the money from your payment card, we reserve the right to remotely disable your New Device. If we take this action, it shall take place on or after 15 days after delivery of your New Device.

#### SAMSUNG WEARABLES TRADE IN PROGRAMME TERMS AND CONDITIONS

### **1. THESE TERMS**

1.1 What these terms cover. These are the terms and conditions on which you may take part in our Smartwatch Trade In Programme ("Trade In Programme"), which provides you with the option to get a reduction in price for any Samsung Galaxy Watch ("New Device") purchased through Samsung.com, either purchased outright or through a credit facility, in exchange for trading in your existing device (the "Existing Device"). The Trade In Programme is offered subject to New Devices being in stock and available from Samsung.com. For a complete list of acceptable Existing Devices to trade, please see Appendices 1 and 2 to these Terms and Conditions. The list of acceptable Existing Devices will vary, depending on which new handset you wish to purchase. The Trade In Programme is only available between 26th April and 30th May 2023. The level of discount which you may receive will vary, dependent on the model of Existing Device you trade in and the condition of your Existing Device. Please see Appendix 1 to these Terms and Conditions for full details of the discounts available where you are trading in an Existing Device in good condition (which meets the Minimum Requirements set out in paragraph 5.2, below). We also accept Existing Devices which do not meet the Minimum Requirements; the details of discounts available for Existing Devices offered in this condition are set out at Appendix 2. The offer is limited to two purchases of New Devices per customer. Any further orders of New Devices under the Trade In Programme may be rejected at our sole discretion. We may also refuse to accept any orders placed for New Devices (or cancel any such orders prior to dispatch) using this Trade In Programme where we have reasonable grounds to suspect fraud.

1.2 Why you should read them. Please read these terms carefully if you would like to take part in the Trade In Programme. These terms tell you who we are, the conditions of the Trade In Programme and other important information.

### **2 INFORMATION ABOUT US AND HOW TO CONTACT US**

2.2 How to contact us. How to contact us. Visit the <u>Shop Support</u> section of Samsung.com for a range of contact options.

2.3 How we may contact you. If we have to contact you we will do so by telephone or by writing to you at the email address or postal address you provided to us in your order.

2.4 "Writing" includes emails. When we use the words "writing" or "written" in these terms, this includes emails.

### **3 THE TRADE IN PROGRAMME - OVERVIEW**

3.1 How to take part in the Trade In Programme. On placing your order for a New Device, you may, if you choose to do so by clicking the relevant Trade In option on the website and, if you are successful in passing any relevant credit checks by our chosen credit provider (if you have opted to purchase your New Device through a credit facility), be able to take part in the Trade In Programme.

3.2 The offer to take part in the Trade In Programme is available to consumers only; it is not available to business customers.

3.3 Your participation in the Trade In Programme is subject to you providing the Existing Device to us within 7 days of receiving your New Device. We will accept any Existing Device, outside of those listed in Appendix 1, in any condition for a flat rate discount of £25. However, to receive the higher discounts listed in Appendix 2, the Existing Device must meet the minimum requirements set out in clause 5.2. Should you fail to provide the Existing Device to us within 7 days of receipt of your New Device you will be required to return your New Device to us. Failure to return your New Device to Samsung will result in legal proceedings being taken against you to recover the device.

3.4 Other than as specified in these terms and conditions, our standard Terms and Conditions of Sale (which can be found here) will govern your purchase of the New Device and any other products purchased from our website.

### **4 PROVISION OF FINANCE**

4.1 If you opt to pay for your New Device through finance, we act as a credit broker and not a lender and will introduce you to your chosen credit provider.

4.2 Where you decide to enter into a credit facility in order to purchase your New Device, our chosen credit provider is Klarna Bank AB. The terms set out at clauses 4.3, 4.4 and 4.5 below will apply to you.

4.3 You will need to enter your details via Klarna's website so that your chosen credit provider can carry out any relevant credit checks.

4.4 If your application is successful, you will be able to enter into a credit facility on terms to be provided by your chosen credit provider. Please ensure that you read the terms of the credit facility carefully before signing. Failure to make repayments under this credit facility may have a negative impact on your credit rating and you may incur interest and charges.

4.5 The following additional terms apply in relation to the credit facility offered by Klarna: Subject to financial circumstances. You must be at least 18. The instalment payment is due at the end of each month after submission of a separate monthly invoice by Klarna. Further information regarding spreading the cost including terms and conditions and Standard European Consumer Credit Information you can find <u>here</u>.

The payment methods Pay in 30 days, 3 Easy Payments and Spread the Cost are only available in case of a positive credit assessment. For this purpose, during the order process and handling of your purchase, we forward your data for an address and credit check to Klarna. We can only offer you the payment methods available based on the result of the credit check. General information about Klarna and the user terms per country can be found on klarna.com. Your personal data is handled in accordance with applicable data protection law and in accordance with the information in Klarna's privacy statement.

## 5. TRADING IN YOUR EXISTING DEVICE

5.1 If you decide to take part in the Trade In Programme, you must provide your Existing Device to us. On receipt of the Existing Device, all data stored on it will be securely wiped. We are not able to recover any data stored on an Existing Device which has been provided to us.

5.6 At the point at which you have provided your Existing Device to us, and we have carried out a successful inspection of the Existing Device (ensuring that it meets the Minimum Requirements, unless it has been declared to be broken Existing Device) ownership in the Existing Device will pass from you to us (or a third party nominated by us).

### 6. CONSEQUENCES OF NOT TRADING IN YOUR EXISTING DEVICE

6.1 You should ensure that the Existing Device is provided to us within **7 days** of receiving your New Device. If you do not send your Existing Device within this timeframe, then unless you return your New Device, Samsung will, after **14 days** have elapsed after delivery of your New Device, deduct a sum equal to the discount you receive for trading in your Existing Device from your payment card.

6.2 In the event we are required to take this action, please note that we reserve the right to refuse to take any further orders from you; we will also review any activity in relation to existing orders under your name.

6.3 Please note that should you fail to return the Existing Device to us, and we are unable to recover the money from your payment card, we reserve the right to remotely disable your New Device. If we take this action, it shall take place on or after 15 days after delivery of your New Device.

In the event that we are unable to recover your Existing Device, we will provide you with a cash equivalent price for the Existing Device, based on the price currently payable for your Existing Device on the Samsung Recycle website (www.samsungrecycle.co.uk).
